

# HAPPY THANKSGIVING!

## 4<sup>th</sup> Grade Newsletter

### Curriculum Notes

**Math:** - Fourth grade is working with Unit 3 of Investigations, we are creating story problems incorporating double digit multiplication, and division. Please make sure that you know your facts.

**Language Arts:** Reading groups are in full swing for our students, and they enjoy working with their peers. Fourth grade has been working on facts vs. opinions, and cause and effect relationships through literature.

**Virginia Studies:** Fourth grade is learning about the hardships of Jamestown, and the elements of the First Permanent English Settlement.

**Science:** The solar system investigations will begin for fourth grade next week.
