

# 5<sup>th</sup> Grade Newsletter

## October

Social Studies: Students in all 5<sup>th</sup> grade classes have been working on a state research report. They are practicing their research skills as well as using Power Point to present their information. They have also been learning about the Northeast region of the United States.

Science: Students are learning about cells and the 5 kingdoms of living things. They have also been using microscopes to look at tiny things.

Math: In math students are learning about adding and subtracting large numbers. They are also continuing to practice their multiplication and division facts.

Language Arts: Students are in the routine of reading groups and are working on fiction and poetry. They have been writing stories and different kinds of poetry.

**Wear red on Friday for Fun Friday!**
