

The Eaglet

After we interviewed Carmen and Mary, we interviewed Maria and Dantiza, from Mr. Rudicks class.

Hello, this is the last Eaglet Newsletter before the end of the school year!

This time we interviewed kids. From Ms. Rodgers class, we interviewed Carmen and Mary. We asked them “What would you teach if you were a teacher and why?”

Carmen answered, Math, because she’s really good at it. Mary answered, Reading, because she knows reading really well.

Maria answered, Math because she knows a lot about math.

Danitza answered P.E., because she thinks P.E. is fun and because you could play fun games.

After we interviewed Maria and Danitza, we interviewed Jesse, Malinka, and Toby, from Mr. Sullivan's class.

Jesse answered reading because he thinks it helps people become successful in life.

Malinka answered math because it's her favorite subject.

Toby answered P.E., because he thinks it is fun to run in P.E., class.

Well, looks like the end for now, (HAVE A GREAT SUMMER)!!!😊😊®
